Do you find it difficult to attend a regular course because of time pressures? Would you welcome the chance to meet informally, once a month for 'tea and talk'? Then this discussion group is for you. Topics would be chosen according to the interests of the group, but would focus on giving participants plenty of opportunity to use their English skills at a high level! Susan Lewis, a native English speaker, looks forward to meeting you over a cup of tea or coffee.  
Der Kurs findet online mit Zoom statt.
